# DEPARTMENT: FIRE - RESCUE

---

**Mission:** Harrison Fire Rescue is a volunteer, paid on-call fire department. All members have state certifications and many hold advanced certifications such as Paramedic, EMT, Emergency Services Instructor, Fire Officer, Driver Operator, Fire Inspector, and Firefighter II. Due to the area’s unique geography, the Department provides more than just fire protection and emergency medical services. They also have specialty teams including rope rescue, water rescue, and jaws extrication. In addition to life-saving efforts and property conservation, the Department members enjoy providing public outreach through fire prevention and community education programs.

**2024 Accomplishments:**

- 1. Successful implementation of new reporting software for the mandated reporting into the National Fire Incident Reporting System.
- 2. Successful changeover and compliance with the National Emergency Medical Services Information System (NEMSIS 3.5)
- 3. Strong succession and promotion of five officers in leadership positions.

**2025 Goals:**

- 1. To ensure all aspects of the Village investment in a new public safety building are well organized.
- 2. Revisiting the Department apparatus replacement schedule to balance immediate needs with future growth.
- 3. Continue to refine our fire inspection process as we transition into paperless record keeping.

# DEPARTMENT: PARKS AND TRAILS

---

**Mission:** The Parks & Trails Department plays a vital role in providing recreational opportunities and maintaining public spaces for all to enjoy. The department manages various facilities and trails. They also handle issues reported by residents.

As Harrison continues to grow, developing and maintaining parks and trail systems to meet residents’ needs is crucial. Currently the village has two main multi-use trail connections: Highline (1.12 miles), Noe Road (1.07 miles), while the Friendship State Trail (6.7 miles) is working to connect to Harrison.

**2024 Accomplishments:**

- 1. Darboy Park - Upgraded signage, removed dead ash trees, maintained the stormwater pond, and installed lighting around the stormwater pond.
- 2. Farmers Field - Installed playground equipment and mulch, installed lighting, paved roadway, trails, and the parking lot.
- 3. Implemented the Park Supervisor position within the Department of Public Works.
- 4. Continued maintenance of the parks and trails.

**2025 Goals:**

- 1. Construction of Old Highway Road to accommodate the 2026 construction of High Cliff Trail.
- 2. Rennwood Park - Installation of a natural playground.
- 3. Farmers Field - Design and construction of a concession stand/bathroom facility.
- 4. Cameo Court Park - Final Master Plan and improvements as outlined in the plan.

## **DEPARTMENT: SPECIAL REVENUE – PARK IMPACT FEE**

---

**Mission:** Funds collected from the park impact fee shall be used solely for the purpose of paying the proportionate costs of providing park facilities that may become necessary due to land development. These costs may include the costs of debt service on bonds or similar debt instruments, when the debt has been incurred for the purpose of proceeding with designated public facilities projects prior to the collection of all anticipated impact fees for that project, to reimburse the village or utility for advances of other funds or reserves, and such other purposes consistent with Wis. Stats. § 66.0617 which are recorded and approved the village board.

### **2024 Accomplishments:**

1. Farmers Field - New lighting installed by WeEnergies, bench installation, mulch and playground installation, new asphalt pavement on the parking lot, access road and trails.
2. Cameo Court - Purchase and demolition of Cameo Court house
3. New lighting and service addition at Darboy Park.

### **2025 Goals:**

## DEPARTMENT: SPECIAL REVENUE – LAW ENFORCEMENT IMPACT FEE

---

**Mission:** Funds collected from law enforcement impact fee shall be used solely for the purpose of paying the proportionate costs of providing law enforcement facilities that may become necessary due to land development. These costs may include the costs of debt service on bonds or similar debt instruments, when the debt has been incurred for the purpose of proceeding with designated public facilities projects prior to the collection of all anticipated impact fees for that project, to reimburse the village or utility for advances of other funds or reserves, and such other purposes consistent with Wis. Stats. § 66.0617 which are recorded and approved the village board.

## DEPARTMENT: SPECIAL REVENUE – STORM WATER

---

**Mission:** The stormwater fund was created to implement a funding mechanism for the construction of stormwater facilities to help alleviate drainage problems, flooding, and stormwater contamination.

### 2024 Accomplishments:

1. Prescribed burns at five stormwater management ponds.
2. Checking depth and maintenance of vegetation at five ponds by McMahon.
3. Installation of yard drains and grading of drainage easements to prevent drainage issues in select neighborhoods.

### 2025 Goals:

1. Prescribed burns at five stormwater management ponds.
2. Contracting removal of sediments in five stormwater ponds.
3. Fund an intern to update the storm sewer GIS program with attributes.

## DEPARTMENT: DEBT SERVICE

---

**Mission:** The Debt Service Fund is a schedule of payments on long term debt owned by the Village. The Village borrows money to finance large capital projects. These funds are borrowed on general obligation notes or bonds. The term General Obligation means that the notes and bonds are backed by the full faith and credit of the municipality and that the Village has a legal obligation to levy funds on an annual basis in an amount sufficient to make the principal and interest payments.

## **DEPARTMENT: CAPITAL OUTLAY – GENERAL GOVERNMENT**

---

**Mission:** Capital outlay budgeting plays a crucial role in financial planning for the Village of Harrison. It involves allocating funds for long-term investments in assets such as infrastructure, equipment, and technology.

### **2024 Accomplishments:**

1. Reconstruction of \$2,027,954 in road resurfacing/reconstruction for Woodland Trails and Blazing Meadows Subdivisions, Payten Street, Evan Street, Amy Avenue, State Park Road, Kessler Road.
2. \$186,000 in design services for 2025 projects of Haen Heights and Cedar Ridge Subdivisions.
3. New concrete and repaving at Fire Station 60 parking lot.

### **2025 Goals:**

1. Implementation of the 2025 road projects per the 5-year road paving plan.
2. Obtain WisDOT grants to off-set road paving plan projects.
3. Implementation of alternative funding sources to fund improvements.

# DEPARTMENT: SEWER UTILITY

---

**Mission:** Harrison Utilities operates a sewer utility serving customers of Harrison and surrounding communities. Wastewater is sent to Neenah/Menasha Sewage Treatment Plant for processing. Harrison Utilities is responsible for the distribution and maintenance of water mains within the utility boundary area. The utility operates 5 lift stations.

**2024 Accomplishments:**

- 1. Produced and distributed the inaugural Harrison Utilities Newsletter
- 2. Completed a re-write of the Municipal Code Chapter 30 covering Utilities
- 3. Conducted year 1 of a 5-year program to televise the sanitary sewer system

**2025 Goals:**

- 1. Continue implementation of a Geographic Information System (GIS) program
- 2. Begin repairing selected manholes and sewer laterals identified during televising
- 3. Engage with a municipal advisor regarding funding sources for system growth
